Message from AUSA Chapter President

By the time you read this July will be history, and it has been a busy month. We started out by honoring the Instructors of the Third Quarter. We also selected the recipient of the AUSA/Troy University Year of the NCO Scholarship. The presentation will be made at our **Quarterly General Membership Breakfast Meeting on August 20th in Ozark**. You can get all of the pertinent information about the Breakfast by checking the flyer in this Newsletter.

The Board of Advisors has set a goal for the Chapter to increase our **Corporate Membership** and this Quarter Ozark will be conducting their Corporate Membership Drive. We're anxious to see how many new Corporate Members they bring to the August Membership Breakfast. Next Quarter will be Enterprise's turn and we were told they pledged an increase of seventeen new Corporate Members. Don't just look for Corporate Members, though. Go out and bring in as many Individual Members as you can find. The larger our membership, the louder our voice for the Army will be to Congress.

Finally, I want to call your attention to the list of our Corporate Sponsors in this newsletter. Please look over this list of outstanding Army supporters, and when you go to their business or meet a representative of a Sponsor, thank them for their support of our Army. Like the NCOs, **these Sponsors are truly the Backbone of the Fort Rucker Wiregrass Chapter**, because without their support, we couldn't accomplish all that we do for Our Great Army.

OUR VISION

As the premier voice for America's Soldiers, we are a dedicated team committed to building the best professional and representative association for the world's best Army.
